(Thirty-third annual grand session.)

The Grand Temple and Tabernacle of the International Order of Twelve of Knights and Daughters of Tabor, Jurisdiction of Missouri, will assemble in Kansas City, Monday, July 26, 1920, and continue in session during the week. The Taborians have had a very successful year in every department of their work; are justly proud of their work and are coming up to Kansas City about 300 strong. The death rate is heavy but the Order is prepared to take care of every obligation. The Knights and Daughters of Tabor are not making much noise but doing a great work for the race and humanity.

The Kansas City Taborians under the leadership of our own Prof. Joe E. Herriford has secured the "Y" for the daily sessions.

Under the leadership of that prince of men, Prof. A. R. Chinn, they are doing wonderful work in Missouri.

PRESSMEN'S UNION ENDORSES McJIMSEY.

The International Printing Pressmen and Assistants' Union of North America, an organization composed of pressmen and assistants of Springfield newspapers, and all of the principal job shops of the city, met in regular session on Tuesday evening, June 8, and passed the following resolution:

Whereas, Elmer E. E. McJimsey, editor and publisher of the Springfield Republican, is a candidate for the office of Governor of Missouri before the Republican primary, August 3, 1920.

Be it Resolved, That we, the members of this organization, pledge Mr. McJimsey our hearty support in his laudable ambition.

He has always been a steadfast friend of organized labor, and during the years of his ownership of the Springfield Republican has at all times met our committees as man to man, with every respect and consideration. We most heartily commend him to members of our craft, and other similar organizations as a high-class gentleman, a considerate employer of labor, and, best of all, a friend in whom you can place your trust. He is firm and steadfast, and a man who, in our opinion, would never sacrifice a principle of right and justice on an altar of personal gain.

Signed: JOHN MARTIN, President. L. N. WISSBAUM, Secretary.

GENERAL ORDERS NO. 2.

William H. Butler, Brigadier General Commanding Frank F. Ferguson, Assistant Adjutant General.

1. The thirty-sixth annual session of the Grand Lodge and 3rd encampment of the Uniform Rank of Knights of Pythias, N. A., S. A., E. A., A. and A. will convene at Kansas City, Mo., July 24th to 30th, 1920. All Companies of the Brigade of Missouri are requested to be present, and participate in this, the third annual encampment of the Military department of the order. Company commanders must notify the brigadier general of their probable strength not later than July 20th.

2. The Camp is hereby designated and will be known as Camp L. Amasa Knox, U. R., K. of P. in honor of Colonel L. A. Knox, assistant Advocate general of the jurisdiction of Missouri.

3. Company commanders will, immediately upon their arrival in camp, report to the assistant adjutant general, the strength of their companies, number of officers and receive the necessary camp orders.

4. Camp Knox is constituted a Knights of Pythias Military Post during the week of July 24th to 30th, 1920, and will be governed and conducted as such by all officers during their tour of Camp duty. Service Calls will be announced in Post Order of all concerned. An evening will be set apart for church. Due notice will be given by Major Edward Edwards, Bridge Chaplain of Missouri.

6. Mess will be under the supervision of Colonel Chas. A. Mills, Assistant Commissary General, who will see that first class meals, breakfast, dinner and supper, are served at very

reasonable rates. Good meals are guaranteed and the very best food in the market will be secured. It is requested that all officers and Sir Knights aid in every way to make the mess a success.

7. Medical officers, hospital stewards, Red Cross Corps and companies and membership of the Hospital Corps will immediately upon their arrival in camp report to Colonel Wm. J. Thompson, Assistant Surgeon General, for duty.

Each officer and Sir Knight will provide himself with soap, towels, one pillow two sheets, two blankets, comb and brush, lantern and one small wash pan. The weather in Kansas City is delightful at this time of the year and none need fear heavy rains, cold nights or heavy falls of dew, the same to the detriment of good and public comfort. The grounds will be brilliantly lighted with electric lights and a force of employees present at all times to render service desired.

All companies attending the Encampment will provide themselves with one large galvanized pail, one hatchet and one rake, one large shovel and an ordinary broom. These articles to be used for keeping their streets clean and removing the paper and waste accumulation between and in rear of tents.

Bands will be required to render the "Star Spangled Banner," and "Stars and Stripes Forever." Each leader will provide his band with full scores of these two national airs.

I also wish to call attention of all officers to saluting the colors. This is a military duty as well as a display of loyalty and it is hoped no officer will so far forget himself as to pass the colors at the color line or allow the colors to pass his position in line of duty without saluting the same.

ALL STAR MUSICAL COMEDY COMPANY SCORE BIG SUCCESS AT THE LINCOLN THEATRE.

Perrin-Henderson Company Features Iris Hall, Joe Loomis and Many Other Well Known Stars of Colored Stage.

Those who attended the performance at the Lincoln Theatre during the past week are the biggest boosters of the show now playing there. Every number—in song, in dance, in comedy—scored a hit and called for encores repeatedly. Sid Perrin, as Chin-Chin Chinaman, received at one of the performances repeated applause for ten minutes solid. Although he had a severe cold that affected his throat, he graciously returned to the footlights and again and again sang the chorus. The success of this number is not due so much to this late popular song as it is to the wonderful Chinese impersonation of this old-time performer who for many years made the rounds of the big white circuits.

My service is offered to everybody, black or white, poor or rich, high or low, saint or sinner.

tradition that Mr. Joseph Loomis, appearing with the company, is one of the finest tenors that has ever appeared before a Kansas City audience. His voice shows years of training, steadiness and has the pure ring of an old monetary bell. His number "Come Back To Me, Maudie," is a classic of the old South—a ballad of human sympathy, the love of a father for his only daughter. The manner of Mr. Loomis in delivering the song was a beautiful piece of acting. In this he was assisted by the beautiful Iris Hall, the well known star of Oscar Micheaux's Homesteader.

Helen Dollie has come up to the full expectation of the public in her pep and go. Miss Dollie is known as the lightest and fastest lady principal on the circuit. Ross Henderson had made a hit as the female comedian of the show in the portrayal of Mrs. Cash. Miss Inez Dennis, rendered the beautiful song of "I Hear You Calling Me," in a voice that enchanted and Belle Drew is a knock-out, repeating her success here.

Last but not least, with one exception, Slim Henderson, the second Bert Williams and his team partner, Clarence Foster, came out with flying colors. "Slim" is typical of Bert Williams in every way—general appearance, tone of voice, style of acting and manner of putting over his comedy. Clarence Foster may be called the "black-face child wonder." Although only seventeen years of age—a mere youth still in his teens—he acts like an old veteran. He kept the crowds rocking with laughter whenever he appeared.

The last part of the week, beginning last Thursday, saw Jimmy Stewart come in for his share of the honors and he carried them off as if the laurels were a mere trifle. He is accustomed to it. He has the distinction of having the only musical act in the world that is entirely different from any other—he plays his entire act on one string—and it is truly beautiful.

Next week the company will produce two other shows—both clean cut musical comedies, full of song, dance and laughter. If you miss this company you will miss one of the finest and cleanest entertainments that has ever made Kansas City. Nothing vulgar, nothing that will offend good taste. Those who like rag-time songs will find them in the program and those who like classic ballads will

hear them as sung by Mr. Joseph Loomis and Miss Inez Dennis.

The picture program for next week is a special—full of high class features of the latest showing and release. Sunday finds a new Paramount picture, L'Apache, Monday another big hit, Tuesday Vivian Martin, in a Paramount production, Wednesday, William S. Hart, and so on through the week as a special entertainment to the visiting Knights and Ladies.

The concert given by Williams' Jubilee Singers was a great musical success. Every member is a star, and every member was good. The male quartet will, no doubt, rank above any before the footlights. They were frequently applauded.—Daily News-Advertiser, Vancouver, B. C. At Allen Chapel, July 28.
